HOW TO REGISTER FOR CLASSES

You may pre-register for classes either at the shop or by mail. Phone registration may be made with either Visa or Master Charge. If you would like us to mail your receipt and supply list, include a self-addressed stamped envelope.

Seven day cancellation policy...

Many of our clubs and classes have a class fee or they are free if you have purchased your sewing machine or software from us. Because our classroom space is limited, we need to know the number of students attending. The class fee or a \$10.00 deposit for those who qualify for a free class will reserve your space. The cancellation policy will be the same as any other class; you must cancel seven days in advance for a refund.
